RE-SALE OF MINOR FOREST PRODUCE.

Notification dated 4th April 1927.

The Minor Forest Produce Contractors of the Sorab, Sagar and Nagar Taluks of this Division having failed to pay the second instalment of their lease amount due on 1st March 1927, the exclusive right of collecting the Minor Forest Produce on all Government unoccupied lands and plantations of the above taluks from the date of the confirmation of the re-sale up to end of June 1928, will be resold by public auction by the Deputy Commissioner, Shimoga District or any Assistant Commissioner deputed by him for the purpose in conjunction with the District Forest Officer, Sagar Division, at 2 P.M. on Saturday the 23rd April 1927. The successful bidder will have to deposit the full sale amount with the sale conducting officer immediately after the close of the sale.

For further particulars the attention of the public is invited to the notification dated 16th April 1926, published in Part VI, pages 573 to 576 of the *Mysore Gazette*, dated 5th August 1926.

K. REVANNA,
District Forest Officer.

ENGINEERING DEPARTMENTS.

WATERS-UPPLY DIVISION.

FORM OF ADVERTISEMENT.

Dated 5th April 1927.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Water-Supply Division, up to 4 P.M. on Monday the 25th April 1927, for Improving Water-Supply to Mysore (Duplicating the Belagola Rising Main). An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1927.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Bangalore, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed :—

Description of work	Unit of work	Rate per unit

4. Each tender must be accompanied by a deposit of Rs. 300 in Cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for Improving Water-Supply to Mysore," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Chief Engineer of Mysore, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.
